- g. The \$10,000 allocated for a new Recreation Department truck was cut from the budget by the Board of Finance. The highway department will make the current truck last another year. The Board of Finance also asked about the donation line item, Angela Hachey says this cannot be touched as it is a donation for outdoor recreational purposes only.

### Old Business

1. The Commission discussed the budget proposal for 2016-2017. Angela Hachey suggested using the donation line item for park repairs. Cathy Thomas argued that the repairs should not come out of the donations. The Commission discussed who is responsible for park maintenance and whether the highway department has a line item for repairs. Angela Hachey suggested the Commission look into taking over the parks since they already do so much for them. The commission currently does not have the staff or the budget to also maintain parks. The list of repairs are not getting done. Angela Hachey has spoken to First Selectmen Ken Beausoleil about this. Also, Angela Hachey did not receive the increase she put in for.
2. The interviews for summer camp staff are done. Steve Bordua asked if the raise for returning staff was only ten cents. Angela Hachey confirmed that it is. Cathy Thomas asked the average age of the staff. Angela Hachey reported that the average is about 17 years old. A lot of the staff is college age. The commission also discussed the bus prices. They will be the same as last year. Cathy Thomas asked for the cost over the last 3 contracts per gallon. Angela Hachey will look into it.
