***CITIZENS' COMMENTS***

Mr. Groh asked Mr. Iamartino for information on the Old Town Hall. Mr. Iamartino began by ringing the bell, which was formerly used to call citizens to Town Meeting. This is the third Town Hall for Thompson, and was constructed in 1842 from plans by Ithial Towne, a native of Wilsonville. Mr. Gaucher also expressed concern about the number of vehicles in Thompson that are registered out of state. Mr. Groh stated that the Assessor is working on this issue.

Mr. Walsh requested information on a recent news story regarding the establishment of a regional building inspection office and expressed his concerns regarding the loss of autonomy on the town level. Each town reserves the right to participate in any of the regional proposals.
