BUDGET / TOWN MEETING NOTICE

Mr. Babbitt explained that he has been working with Town Counsel to prepare two different options for the Town Meeting. Mr. Babbitt stated that because the budgeted increase is 1.92%, less than the 2% necessary to go to referendum, that the budget could be approved only at a Town Meeting. Attorney St. Onge explained that at a Town Meeting, the budget could be approved or amended.

Ms. Hiatt asked what the process is to talk about a line item at the Town Meeting. Attorney St. Onge explained that first you would have a motion to approve the budget. Second, someone could motion to amend the budget, the citizens would discuss the amendment, and then the citizens would vote on the amendment. The Board of Education budget could only be amended on the bottom line as opposed to the General Government budget, which would be amended by line item. Attorney St. Onge also stated that the budget can only be decreased, not increased.

Ms. Hiatt commented that there has been good discussions and feedback at Board of Selectmen and Board of Finance meetings and therefore she would prefer to send the budget to a Town Meeting rather than to guess the intentions of a yes or no vote.

Mr. Groh commented that the budget can only be cut at a Town Meeting and as he has heard feedback on the deletion of the Resident State Trooper, a Town Meeting would not allow that line item to be restored. Mr. Groh also stated that more people would be able to vote on the budget between the hours of 12:00 p.m. and 8:00 p.m. rather than just a few people at a Town Meeting.

Mr. Babbitt stated that his tendency is to agree with Mr. Groh and that the fairest way to address the budget is to go to referendum. Mr. Babbitt also stated that there may be issues finding a suitable location to hold a Town Meeting with the expectation that the turnout would be more than the Thompson Public Library would allow.

A lengthy discussion followed.

Ms. Hiatt asked for a show of hands from the audience as to who was in favor of just going to a Town Meeting and who was in favor of going to a referendum. The majority of the citizens in attendance were in favor of going to a referendum.

Motion made by Mr. Groh, seconded by Mr. Babbitt, to go with the Notice of Town Meeting with all three agenda items for Thursday, August 2, 2007 at 8:00 p.m. at the Thompson Public Library/ Community Center and to adjourn to referendum on Thursday, August 9, 2007 from 12:00 p.m. to 8:00 p.m.

Mr. Babbitt commented that he has worked on this issue for quite a bit. Mr. Babbitt explained that there is a new emphasis on this law which has been in effect for a while. Mr. Babbitt reviewed the timeline outlined in the statute. Mr. Babbitt also stated that he has drafted a letter to the Probate Administrator, Judge Lawlor, informing him that the Town is working to comply. Mr. Babbitt said that the Probate Court office is the nicest office in the building and that changing the office would ruin it so he is hoping to get a waiver from this requirement.

Mr. Groh stated that the Town should be a little proactive and agreed with Ms. Hiatt that the Board should forward questions to Judge Murphy.

A brief discussion followed.

This item will be added to the agenda of the 2nd meeting in August.
